

TAKING THE BLINDERS OFF

At CBC, we value the opportunity to teach every child God's word.

Using a simple approach and a curriculum geared toward youth issues of today, your child will experience:

1. A genuine love for Jesus Christ and His word- this love shared abroad
2. Greater self esteem and self respect
3. The importance of faith, family, and education

WHAT ELSE SHOULD YOU KNOW?

Our passion is to see young people from every race and economic background touched by the kingdom of God in such a way that they are influenced to take the reality of God to their family and friends. We seek to mold this generation into young believers who are a catalyst for Jesus Christ and who make a difference in their generation by expressing a love for people from all walks of life.

VISION STATEMENT

- It is the vision of this house that as a body of baptized believers we must represent God.
- It is necessary that the world and community in which we live see Christ in our lives.
- It is the vision of this house that we restore and renew the right spirit as God intended. We must see folks saved, sanctified and filled with the Holy Spirit and power.
- We must see the word fulfilled through the bearing of fruit and success.
- It is the vision of this house that the word of God be the food that keeps us alive and well.
- It is the vision of the Pastor that our children know God as a Friend and His word as a source of power.
- We should see ourselves as loyal servants of Jesus Christ with a total commitment to serve Him without distraction or compromise.

We are the salt of the earth and the light of the world. Together we must restore the world's faith in God and in us.
